RFID & Wash Club Memberships

Customer Benefits

No fumbling for coins or cards to slow down processing.   Quick selection for Prepay, Post Pay or Monthly Wash Club Membership / Subscription customers.   Easy access 24 hours a day. Date, time and use restrictions can be applied to any tag. The software automatically tracks when the customer used the wash, what they received and where they washed their vehicle. Auto credit card billing for Monthly Memberships. Also works with Wash Books.
